

To Our Valued Patients:

Date: August 7th, 2023

After much consideration, we have made the difficult decision to close our Albany clinic, Limitless Physical Therapy of Albany, located at 947 Geary St SE, Albany, OR 97322. Limitless Physical Therapy of Albany will continue to be open for patient care through September 15th, 2023, and we are committed to maintaining our standards of outstanding patient care and customer service.

Your recovery is a priority to us, please consider the following to ensure your success:

- Attend any appointments your physical therapist makes available for you
- Continue with your home exercise program
- Contact our office with any questions or concerns

Should you need physical therapy beyond September 15th, 2023, to assist you we have gathered a list of clinics in your area. (Please notify us if you need your records sent to another physical therapy clinic so we can provide you with an authorization to release this information).

Should you need to access your records in the future, our Eugene clinic will remain open and operational. You can contact our Eugene clinic by phone @ (541) 654-0274. Dr. Nathan (Nate) Moore and Dr. Craig Iseli will be transitioning from Limitless Physical Therapy of Albany to this location.

All of us at Limitless Physical Therapy of Albany have enjoyed serving you. Thank you for trusting us to partner in your care, we are grateful!

Sincerely,

Limitless Physical Therapy of Albany
